Presents

Where Your Voice Matters

20-21 JULY 2019

DPSHMUN'19

Invitation

Delhi Public School, Preet Vihar, Hapur cordially invites you to the 2nd edition of the D.P.S Model United Nations Conference.

DPSHMUN '19 is a two-day conference simulating 4 committees such as United Nations Human Rights Council, All India Political Parties' Meet, NITI Aayog and European Union.

At DPSHMUN '19, participants take on the role of foreign diplomats – engaging in debate and crafting resolutions to resolve issues of national and international importance. Participants acquire multiple perspectives concerning regional and global issues, thereby developing deeper and broader understanding while serving a global community. They elicit a fresh perception of world-politics and world affairs, making use of the opportunity given to them to negotiate and hold dialogue with their adversaries.

Our motto, '**Where Your Voice Matters**' represents the need of the hour. We at Delhi Public School, Hapur, always hope and strive for a world without differences. With this conference, we wish to take a small step towards spreading the message for unity, in which we believe.

We look forward to your wholehearted participation at D.P.S Hapur Model United Nations Conference 2019.

Principal's address

“The secret of change is to focus all of your energy, not in fighting the old, but on building the new.”

The purpose of educating these young minds is for them to improve the lives of others and leave our community and world better than they found it. We believe that the mark of an educated mind is to entertain a thought, even if we do not fully accept it.

Model United Nations play an important role in the holistic growth and development of our young leaders. For good ideas and true innovation, we require interaction, conflicts, arguments and debates. To broaden our horizon, to connect, to analyze, to comprehend, to speak up, to respect and to unify, our leaders of tomorrow need to step out of the classroom and address pressing issues that our world faces today.

Through DPSHMUN'19, we hope to provide a unique opportunity to engage students in role-play, to be the real catalyst for change by creating open minds and presenting fresh ideas.

The focus will be on concrete solutions and ways to make our world a better and secure place to live in.

Dear delegates, I thank you for your commitment and wish you a stimulating conference,

With best wishes
Mrs. Meena Anand
